Dominion Linoleum

This is Dominion Linoleum Pattern No. 1011.
It is the only floor which meets the highest standard
of safety and health for the children's room.

The Ideal Floor for the Kiddie's Room

Every Mother wants her nursery floor to be clean and inviting. She wants it to provide a comfortable play-ground—a safe playground—for scampering little feet and romping, restless little bodies. Dominion Linoleum is the answer. It is warm, comfortable and sanitary. No cracks or seams for dirt and germs to collect in, no rag to hold embedded grit. The smooth, bright surface of Dominion Linoleum fairly asks to be played on.

Dominion Linoleum is the extent of floor coverings to clean. Dirt cannot penetrate its firm, non-absorbent surface. Spilled liquids cannot soak it.

Light mopping or brushing keeps it spotless and therefore health protecting and labor saving. Low in price, it wins for proven, enduring comfort, safety and happiness for the kiddie's leisure days.

Dominion Linoleum Rugs

possess all the desirable features of Dominion Linoleum and are made in a wide range of beautiful colors and designs. They cling to the floor without slipping and cannot muck or curl at the edges.

At all House Furnishing, Departmental and General Stores

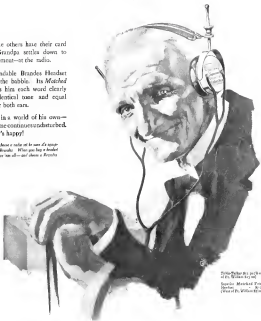

Always look for the factory built rubber lining.
It guarantees safety and gives all
the advantages of rubber.

LET the others have their card games—Grandpa settles down to real amusement—at the radio.

His dependable Brandes Headset shuts out the babble. His Matched Tone gives him each word clearly—with identical tone and equal volume for both ears.

Grandpa's in a world of his own—and the game continues undisturbed. Everybody's happy!

When you choose a radio set be sure it's equipped with a Brandes. When you buy a headset choose — hear him all — and choose a Brandes.

Brandes Headset No. 1, purchased at the National City and Superior Matched Tone Headset. — Brandes (West of St. William Hotel)

Vitralite

The Long-Life Enamel

In houses every where, new Vitralite, the long-life enamel, is being used. The greatest of all, it is the only one that is so long-lasting and so beautiful. It is the only one that is so long-lasting and so beautiful. It is the only one that is so long-lasting and so beautiful.

In old houses or new, on woodwork or furniture, Vitralite, the Long-Life Enamel, produces a surface beautiful as porcelain and more durable than paint. It is guaranteed for three years outdoors; indoors it lasts indefinitely. Made in white and five beautiful tints.

Color fast and tough finish, will wear off only by sanding. For full details of Vitralite and its uses, send for free literature to Pratt & Lambert Varnish Products, Inc., 1401 Commercial Street, New York, N. Y.

Miss Marriott shows herself completely at her performance. Personally she was a good actress, and contrived to make it both difficult.

Woodbury's
Facial Soap

A-SKIN-YOU
LOVE-TO-TOUCH

To give your skin the charm
of "*A Skin You Love to Touch*"

Use this famous treatment to free your skin from black-heads and to keep it smooth and clear:

Each night before retiring, apply hot cloths to the face until the skin is reddened. Then with a slightly rough washcloth work up a heavy lather of Woodbury's Facial Soap and rub it into the pores thoroughly, always with an upward and outward motion. Rinse with clear, hot water, then with cold—the colder the better. Whenever possible, rub your face for thirty seconds with a piece of ice. Dry the skin carefully.

Begin, tonight, the special Woodbury treatment your skin needs, and see how quickly the whole tone of your complexion will improve.
